

# ENERGY BILLS ARE RISING!

## Rent from a landlord and pay your own bills?

Think about how you're going to budget for price increases. Contact the Money Support Unit if you need help with putting together a budget, or need financial advice on managing your money:

## If your landlord includes bills in the rent:

Read your contract carefully to look out for any caps etc.

## Save money by reducing energy used at home:

The Energy Saving Trust have some quick tips - see how much you could save!
